Kleiner Perkins
For five decades, Kleiner Perkins has made history by partnering with some of the most ingenious and forward-thinking founders in technology and life sciences. Through twenty venture funds and four growth funds we've invested \$10 billion in hundreds of companies including pioneers such as Amazon, Genentech, and Google. Today, Kleiner Perkins continues to help founders and their bold ideas make history investing in companies like Desktop Metal, IronNet, Ring, Spotify, Slack, and UiPath.

Kleiner Perkins announces \$2 billion in fresh capital, showing that established firms can still raise large...
